About National Institute Of Technology Arunachal Pradesh

The National Institute of Technology, Arunachal Pradesh is a deemed technical institute functioning under the NIT act established by MHRD, Govt. of India in 2010. It is one of the 31 National Institutes of Technology in India and is recognized as an Institute of National Importance.

Vision:

Our vision is to impart quality technical education with a strong underpinning of sound knowledge in the domain. Our approach is interactive, innovative and quintessentially holistic. Our goal is to produce imaginative entrepreneurs, technology leaders and researchers with a profound sense of humanistic and ethical values.

Mission:

Our mission is that of producing such Technical Engineers who will not run after jobs, but for whom jobs will run after them, and such that they will create employment and develop new technologies for a faster, sustainable and inclusive growth.

ABOUT ARUNACHAL PRADESH

EVERYONE IS WELL AWARE THAT LITERALLY "ARUNACHAL PRADESH" MEANS "LAND OF THE RISING SUN" AS THE FIRST RAY OF MORNING SUN THAT TOUCHES DOWN UPON INDIA LIGHTS UP THIS DISTANT STATE FIRST.

OVER 80 PER CENT OF THE LAND OF ENCHANTING BEAUTY IS COVERED WITH THICK EVERGREEN FORESTS. IT IS A FABULOUS DESTINATION FOR ADVENTURE TOURISM. LIKE OTHER PART OF NORTH EAST INDIA, A MAJORITY OF THE PEOPLE NATIVE TO THE STATE ARE OF MONGOL-
OID STOCK & SPEAK TIBETO-BURMAN GROUP OF LANGUAGES.

IT HAS THE HIGHEST DIVERSITY OF MAMMALS IN THE COUNTRY. IT IS ALSO KNOWN AS "ORCHID STATE OF INDIA" OR "PARADISE OF THE BOTANISTS" & IS HOST TO ONE OF ASIA'S LARGEST ORCHID RUM. AT MOST EVERY DISTRICT IN THIS BEAUTIFUL STATE HAS ITS OWN EXCLUSIVE & RARE VARIETY OF ORCHIDS.

INFRASTRUCTURE

Modern Laboratory

Each department is equipped with well established state-of-the-art laboratories including simulation tools and softwares in various field of study to cater around development of the students. Experimentation and hands on training in the laboratories facilitate students to deepen their understanding of the concepts learnt in the class and propose technologically feasible and sustainable practical solutions to complex real world problems.

SWAYAM, NPTEL, FLIPED CLASSROOM, SMART CLASSES etc are also acquainted by our students.

Computer Laboratory

There are four computer labs equipped with modern PCs with i7 processors and with good power backup facilities and high speed internet up to 1Gbps and systems loaded with latest version of educational licenced softwares.

Central Library

The Library of the Institute is a knowledge centre. The Central Library of NIT Arunachal Pradesh was established in August, 2010. The library has a good number of text & reference books and journals which are supplemented on regular basis. It has a rich collection of information resources mainly in Engineering, Science and also in Management. Reading room facilities are available for thirty students. Xerox and Printing facilities are available for students on payment basis. Online PublicAccess Catalogue (OPAC) service through Libsys, E-Books and E-Journals access facilities are also available in the Central Library. At present the Central Library holds above 27139 volumes, 4000+ number of titles, 32 number of Journals and more than 26 number of magazines.

Language Laboratory

The language lab has revolutionised the way we teach and the students are enabled to learn a language within just the term of using it. The language laboratory is envisaged to cater to the growing demand of a large fluent English speaking youths in areas like multinational IT companies in particular and in all walks of life in general. It has conceptualized customized training program based on the latest technological tools and the most advanced raining methodology to impart simplified and effortless learning of English.

Academic Programmes

Undergraduate Programmes

- ✦ Biotechnology
- ✦ Chemical Engineering
- ✦ Civil Engineering
- ✦ Computer Science and Engineering
- ✦ Electrical Engineering
- ✦ Electronics and Communication Engineering
- ✦ Mechanical Engineering

Postgraduate Programmes

- ✦ Appropriate Technology and Entrepreneurship Practices
- ✦ Computer Science and Engineering
- ✦ Mechanical System Design and Innovation Technology
(Fluid & Thermal Engineering)
- ✦ Mobile Communication and Computing
- ✦ Renewable Energy and Energy Management
- ✦ VLSI and Embedded System
- ✦ Mathematical Physics

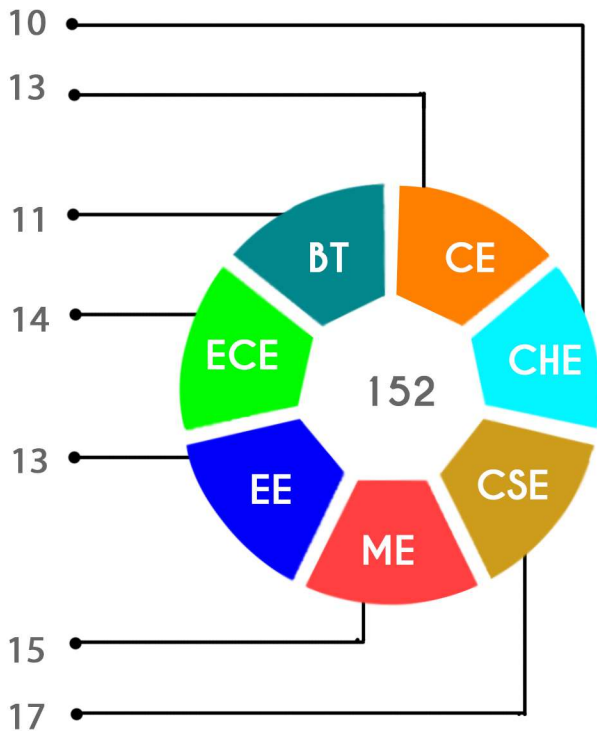

ADMISSION PROCEDURE

All the admissions are subject to highly organized and extremely competitive entrance examinations. Only the students having advanced quantitative and analytical calibre along with the zeal to put in efforts are selected. Personal interviews are also conducted for admission in Post graduate and Doctoral Programmes.

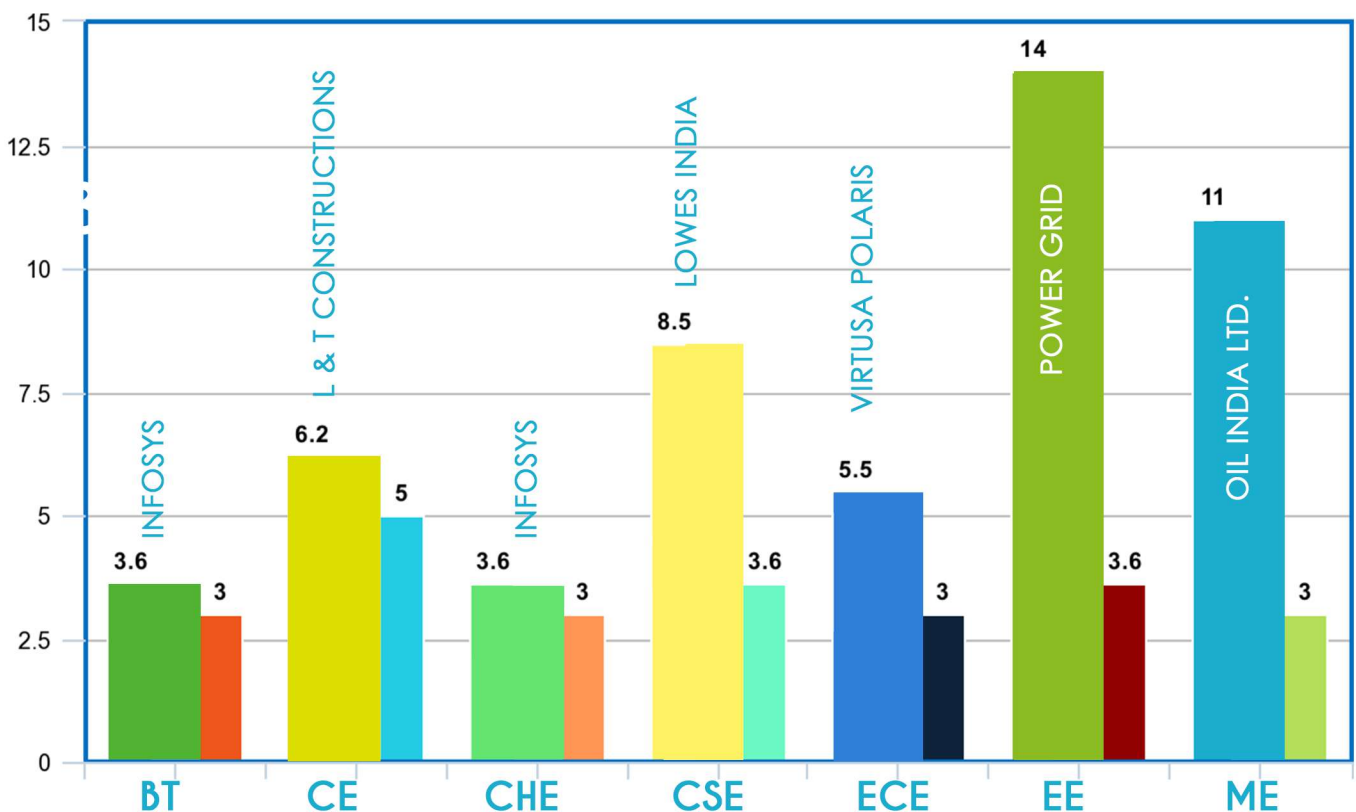

The exams are conducted on all India basis and are enlisted below: JEE(Joint Entrance Examination) GATE(Graduate Aptitude Test for Engineering) Admission to Doctoral Programme (Ph.D.) JAM(Joint Admission Test for M.Sc.)

A **Beyond** Academics

Addovedi

"The Annual Techfest"

In the heart of NIT Arunachal Pradesh lies a fest that pushes the boundaries of student performance and creativity every year. From presenting papers and projects to bringing in reality imaginative designs that the student mind conjure up to the event that enthral everyone who attends. Addovedi the technical festival of NIT Arunachal Pradesh has always brought together the brightest minds in technology and engineering over the years.

Atulyam

"The Annual Cultural Festival"

Our endeavour is to start an idyyssey which will inculcate in us the zeal and spirit to embrace the galaxy of brilliance in our midst and will lead us all to fame and glory. ATULYAM is the annual cultural fest of NIT Arunachal Pradesh. It is one of the esteemed annual cultural fest in north east. Atulyam has entertainment, fun, integrated with awareness and responsibility creating a holistic and magical environment making this festival grand. Atulyam is the tim

in the glory of both Indian and western culture.

To build one's social life as a student, various clubs and events can be a vital part in it. Students participating in various events happening in the institute make them learn important leadership and management skills. Various clubs at NIT AP includes:

INNOVATION CLUB

SPORTS CLUB

Startup Cell (consisting various instruments like : PCB prototype machine, Drone with PIX 4D software, 3D printer, Fabriquen Station etc.

Our Institute also has subscription to prestigious organisations like

IEEE Student Chapter

HR Club

WHY RECRUIT FROM NIT ARUNACHAL PRADESH?

MERIT BASED ENTRY

Talent is not being achieved until it has been proved. Hence our admission is only through competitive exams on all India Basis like JEE (Mains), GATE, JAM as directed by MHRD, Govt. of India.

HUMANITIES BLEND

Every course takes into account considerable humanities element which is much required to make the students more than just engineers making sure that they are enabled to see beyond numbers & quantitative stuff in the world.

NCC & NSS TRAINING

A Considerable number of students take up NCC/NSS training during their study ensuring that the students are groomed to become not just better Engineers but also better citizens of the Nation.

LONG HOURS WORKING CAPACITY

Students here undergo more than fifty subjects in eight semesters which ensure high agility and longer working capacity given they could endure and successfully meet the expectations here.

INDUSTRIAL EXPOSURE

Industrial training and internships are also a part of our curriculum and regular training and workshops are conducted by various field experts to have a good exposure and depth in technical

RESEARCH ORIENTED TEACHING

Best understanding comes from best research and vice versa. Hence, research is implemented as the part of curriculum in the institute. As a result, numbers of research papers have been published by our students in leading journals and magazines.

Internship Programme for UG students is compulsory in Industry / Institute of Repute. Students are given following facilities to promote their career:

- 1) GATE Training
- 2) Employability Skill Training

MESSAGE FROM THE DIRECTOR

“It is a matter of pride to write a few lines for the brochure being published by Training & Placement Cell of the Institute in the year 2019. In my opinion, the National Institute of Technology Arunachal Pradesh being an Institute of National Importance by an Act of Parliament and being established by the Ministry of Human Resource Development, Govt. of India, does not require any further introduction.

0360-2284972

The quality and potentiality of an educational institute depends on a few things like quality of students, potentiality of teachers, availability of infrastructure and practice of innovation. The quality of students admitted in this Institute is of higher ranking as students are admitted based on the AIEEE/JEE rank through Central counselling at national level. The potentiality of faculty members is immensely high as indexed by their high quality publications and research works.

The faculty members have acquired qualification from leading National Universities and Institutes. We have developed a good numbers of modern states of art laboratories under all departments. Our library is very rich having a large numbers of Text Books of world famous and credible publishers. Our campus is fully Wi-Fi connected.

I think that our students are comparable to other graduates in the country in terms of technical skill, analytical ability, computer proficiency and general awareness. We take holistic approach to produce students with human feelings by providing them with ethical guidance.”

“Dear Recruiters,

It gives us immense pleasure to extend to you a most cordial invitation to participate in the Campus Recruitment programmes of our Institute. The National Institute of Technology, Arunachal Pradesh was inaugurated on 18 th August 2010 as a member of a group of ten new NITs. However, in a very short spell of about 8 years. NIT Arunachal Pradesh has turned into a center of excellence in technical education to combat the growing need of technology professionals in India as well as in the World.

Our students have continuously been able to excel not only in their fields of study but also in co-curricular activities. Training and Placement cell of NIT Arunachal Pradesh give support for the Undergraduate students to undergo an eight-week training/internship in reputed organizations during the summer vacation in partial fulfillment of the requirements of their B. Tech. curriculum. The Alumni of our institute are showing distinction in their respective positions.

Training & Placement Cell of NIT Arunachal Pradesh has required infrastructure like seminar hall, video conferencing facility, and excellent accommodation arrangement etc. to organize campus placement activities. We invite esteemed organizations to visit our campus for recruitment. Your visit shall provide a platform to utilize the technical knowledge and motivated young talent of our students establishing a synergetic interface. Besides, we also invite the companies to take our third-year undergraduate students for summer training / internship.

The Institute has a high quality flexible and dynamic curriculum as per the requirements of present-day globalized and highly networked industries and society. Our versatile students participate and organize various technical, cultural, sports and literary activities throughout the year. NIT Arunachal Pradesh has earned excellence in academics in India in mere four (4) years of its inception.

We earnestly invite the prospective industries and organizations to stopover our institute and experience the talent of our nurtured, energetic, hardworking young students. We also request you to provide them an opportunity to grow under your leadership through fruitful contribution in your esteem organization.

It would be our proud privilege to welcome you in conducting campus placement for the academic year 2019-2020. The recruitment process could be organized at NIT Arunachal Pradesh as well as our guest house at Guwahati Assam. We look forward to a long term positive and mutually beneficial relationship with your organization.”
