It is put on record that the Ministry of Human Resource Development is in practice of budget allocation for laboratories under only CSE, ECE & EEE heads; although laboratories required for even running these three discipline should span over Engineering Chemistry, Workshop, Engineering Mathematics. Besides with introduction of the Mechanical Engineering & Civil Engineering (duly intimated to MHRD); the laboratories for these two disciplines are required to be established. Under such a scenario re-appropriation of Budget is logically required & may be admitted by Finance Committee.

Item No : 5. 18 : Permission for opening Welfare Fund for Casual Labourers.

The matter was thoroughly deliberated in a meeting called by Director on 17/04/2014 with Deans / HoDs. In the meeting it resolved that Around 21 labourers (sweepers, gardeners etc.) are working under Third Party Contract at present at National Institute of Technology – Arunachal Pradesh. Each of these workers is drawing a monthly (calculated on daily presence basis) meager salary of Rs.5,500/- (Rupees Five thousand five hundred only) around as per Govt. Rule in the context. It is felt that this amount of Rs.5,500/- per month is too low to sustain just on bread and butter even for a family of 3 persons leaving aside other emergent requirement of medical expenses and educational expenses of their wards.

In view of that, a proposal has been noted by the Director to request the Members of Faculty and Officers of this Institute drawing salary in the PB: 3 of Rs.15,600-39,100/- to voluntarily donate (1%) of their monthly basic pay for creating a Welfare Fund under name and style of “**Welfare Fund for Casual Labourers**” for these workers.

Once this is created, the modus operandi and objective fulfillment of supporting the workers in case of emergency may be as below:

1. Voluntary donation may be deducted once option is accorded from the salary of the person giving the option.
2. The amount so monthly collected may be deposited in the account and the account may be operated by Dr. Pinaki Chakraborty, Assistant Dean (R&D) and Dr. Nabakumar Pramanik, Assistant Dean (Finance & Accounts) jointly.

One time grant at a maximum of Rs.2,000/- (Rupees Two thousand only) may be given to a particular worker for accidental expenses, medical expenses and educational expenses of the ward if that particular worker serves the Third Party for NIT – Arunachal Pradesh for more than 2 years with mandatory break in between. Exact quantum of grant may be ascertained by Dr. Pinaki Chakraborty and Dr. Nabakumar Pramanik jointly on submission of supporting documents from the workers on case to case basis.

Decision : Approved as per existing scheme of students & employees welfare fund without any grant from NIT, Arunachal Pradesh
