Article 1: Forms of Corporation

The parties envisage the following cooperation within the scope of this Memorandum of Understanding (MoU):

Article 1.1: Faculty Exchange

Permit each other's faculty to plan and handle academic programmes and courses, Organisation of seminars, lectures, workshops, symposiums and conferences including collaboration in teaching, research & development and also industrial practice in the field of mutual interest.

Invite each other's experts, faculty members to participate in various capacity building programmes organised by both Institutes.

Article 1.2: Exchange of Research

To undertake joint research programme and development including exchange of publication and reports. Each other's facilities including laboratories, infrastructure and resources shall be shared for collaborative research with the objective to meet institutional and national objectives.

Article 1.3: Student Exchanges

Permit each other's students, Research Scholars for easy access to Campus, Library, Laboratory, Testing and other facilities. Jointly work towards enhancing industry-academia interface and aligning training, capacity building and skill development to meet the industry-specific requirements and for better employability.

Article 1.4: Twin Programmes

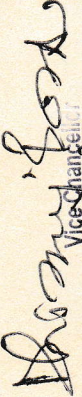

Explore possibilities of joint twining programmes in interdisciplinary areas of specialization of high relevance to both the parties.

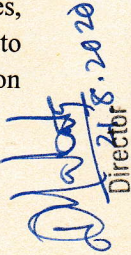

Article 1.5: Centre of Excellence

Creation of Centre of Excellence in specialized fields of mutual interest in different areas of science, engineering, technology, management and humanities for academic partnership and research centre development. Assist each other in 'Training programme for Trainers', Entrepreneurship Development Programme, Standardization of Courses and Certification Programmes, Commercialisation of R & D activities etc.

Article 1.6: Others

To organize jointly short-term continuing education programs, seminars, conferences, workshops and invite each other's experts, faculty members, trainees and students to participate in the same. Extend preferential treatment to each other in levy of participation fee, infrastructure/facility usage fee, hostel fee, Guest House fee, etc.

Vice-Chancellor
Assam Science and Technology University
Guwahati

Director
National Institute of Technology
Yupia, Arunachal Pradesh

To provide and share each other's Brochures/ Flyers, Reading/ Course Materials, Programme Information etc. and prominently display the same at Library, Notice Board, Website etc. as the case may be.

The above areas of co-operation are indicative only and may be expanded or curtailed through mutual consultation.

Article 2: Specific Co-Operation Projects

Detailed terms and conditions that guide each co-operation projects shall be negotiated separately between the parties and each specific case shall be established as separate written agreements, stating the respective rights and obligations of the Parties. Such an agreement for collaboration will be legitimized by the signing of the implementing agreements. In case of any ambiguity or disagreement between the terms and conditions of this MoU and those of the separate agreement as mentioned above, the terms and conditions of such separate agreement shall prevail over the terms of this MoU.

Article 3: Financial Obligations

There will be no financial obligations on both the Parties under this agreement.

Article 4: General Coordinators

Each party shall designate Faculty member/ Officer to oversee and facilitate the implementation of any agreement arising out of this MoU. National regulations and customs shall be mutually respected.

Article 5: Intellectual Property

NIT AP and ASTU agree to respect each other's right to intellectual property. Furthermore, all rights linked to ideas, inventions and patents generated during the MoU, if any, shall remain the common intellectual property of the parties. The Parties shall not pass on or give usage rights of such property to any third Party without the consent of the other Party. Any such research collaboration to be taken up during due course of time under the ambit of this present MoU shall be legitimized by signing an agreement and in such case the terms and conditions of such separate agreement shall prevail over the terms & conditions of this MoU.

Article 6: Dispute Settlement

Any dispute, controversy or claim arising out of or in relation to this MoU, including the validity, invalidity, breach or termination thereof, shall be settled by the parties amicably through mutual consultations and negotiations.

Article 7: Liability

Except for loss or damages caused through gross negligence or intent, the Parties shall have no liability to each other hereunder.

Article 8: Legal Relationship
