

WEBINAR FEEDBACK FROM PARTICIPANTS

Ten episodes of webinar on Arunachal Pradesh and her rich culture and custom held from 6th Aug to 15th Aug 2020 organized by EBSB Cell, NITAP

Sir, Kudos to you 🙌🙌🙌 for taking such a good initiative to conduct webinars on Arunachal Pradesh for EBSB. The ongoing webinars are very informative. The speakers have provided lot of unknown facts and information on the insights and the culture of this beautiful state 😊 Thank you Sir for bringing these webinars.
1. The organisers can conduct a language webinar/seminar on different languages of an individual's native state.
2. One can conduct a language learning session if convenient, like the basics of a language, simple sentence formation, verbs and tenses. E.g. How to say "How are you?, What is your name? What are you doing? I am eating, I was eating, I will eat...etc
