GUIDELINES FOR INTERNSHIP AT NIT-ARUNACHAL PRADESH

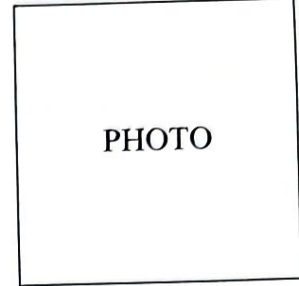

Objective	To familiarize the interested and willing students of B.Tech/B.E with the Technological advances in the area of application.
Eligibility criteria	It is neither a job nor assurance for a job in the Government of India. Applicable to Indian students or students admitted through DASA only
Educational Qualifications	Students pursuing following courses can apply: Second and third year of the Bachelors in Engineering/Technology.
Scheme of Internship	Internship is normally for a period of one month and extended upto 3 months. There will be a short induction programme. A guide will be assigned to each intern for their study during internship. Interns are required to present a paper/report on topic towards the end of internship. On the completion of internship, students are required to submit a report of the work carried out and make a presentation on it. Number of slots available in a year is two but not exceeding three in any case. Internship is a fulltime programme and hence interns are required to observe working hours of NIT-Arunachal Pradesh. Any absence during working hours may result in extension of the period of internship. The internship may be discontinued any time if the performance of the intern is not found satisfactory or the intern is absent without authorization of the guide. Intern will maintain the dignity, decorum and discipline in the concerned department, failing which the internship will be liable to be terminated. Certificates will be issued to the interns on successful completion of their internship.
How to apply	Interested students may apply in the prescribed form given in Annexure with a photo ID proof (Photocopy of the Aadhar No. / Institute ID card). Application in any other format will not be entertained. Application must contain recommendation of the competent authority from the academic institution, where the candidate is pursuing her/his studies. Applications received without recommendations will not be entertained Applicants are required to submit a proposal on topic of study during the internship in 1000 words along with their applications. Application should be made one month in advance, clearly mentioning the month for which internship is to be considered.
Modes of Selection	Selection through off-campus tests/interview conducted by the concerned department.
Charges & logistics	Rs. 2,000/- per month will be charged from the students for accommodation (if require) during his/her stay at NIT Arunachal Pradesh.
